**ORDER REQUIRING THE PARTIES TO  
MEET AND CONFER AND SUBMIT A  
SUPPLEMENTAL JOINT CLAIM  
CONSTRUCTION CHART AND BRIEFS  
REGARDING ANY REMAINING CLAIM  
CONSTRUCTION DISPUTES**

The Court has issued four Claim Construction Orders construing terms in the following patents: '661, '783, '442, and '092. The parties have requested construction of disputed terms in the following patents, which remain in dispute: '658, '699, '518, and '884. The Court finds it advisable to require the parties to review the Joint Claim Construction Chart in light of the issued Orders and to submit a Supplemental Chart. The Supplemental Chart and accompanying memoranda of law must list any remaining disputed claim terms, state any relationship between an outstanding disputed term and a term which has been construed by the Court and describe why the term should or should not remain in dispute. The Court regards the request for further construction as withdrawn, pending submission of Supplemental Chart.

Accordingly, it is hereby ordered, that on or before **October 29, 2007** the parties meet and confer and file a Supplemental Joint Claim Construction Chart in accordance with this Order. The Court continues the Further Case Management Conference presently scheduled for October 22, 2007 to **November 5, 2007 at 10 AM.**
